

Emergency Services Qualifications Verification

It is the policy of Florida Wing, Group VI, Civil Air Patrol that verification in eServices Operations Qualifications of what is defined below as Upper Level Qualifications will be made to the Group VI Emergency Services Officer and/or an Authorized Check Airman on Group Staff before Group Level approval of the qualification being submitted is made and sent to Wing Level.

Once the qualification training has been completed and entered into the Ops Qual section of eServices, the original paper SQTR complete with Trainer signatures and CAPID's must be submitted to the Group VI Emergency Services Officer. This may be done by mailing a photocopy of the original to: Lt Ben Dickmann, 5965 NW 54th Lane, Tamarac, FL 33319, scanning and e-mailing to bdickmann@flwg.us, or via fax to 954-514-3926.

The following Specialty Ratings require the member seeking the rating to submit a copy of their signed and properly filled out SQTR for the rating in question:
